

SUBSTITUTE SPECIFICATION

Atty. Dkt. No.: 999450-0379

WHAT IS CLAIMED IS:

1. An apparatus for facilitating child discipline using positive communication with a child, the apparatus comprising:

a plurality of discipline condition indicators that facilitate disciplinary activity; and

a storage location for the plurality of discipline condition indicators.

2. The apparatus of claim 1, wherein the plurality of discipline condition indicators comprise a stop flag, a think flag, and a go flag.

3. The apparatus of claim 2, wherein the stop flag includes a red color, the think flag includes a yellow color, and the go flag includes a green color.

4. The apparatus of claim 1, further comprising a number of ties that secure the apparatus to a seating unit.

5. The apparatus of claim 4, wherein the seating unit is a chair.

6. The apparatus of claim 4, wherein the seating unit is a stool.

7. The apparatus of claim 1, wherein the storage location is located on an inflatable chair.

8. The apparatus of claim 1, wherein the storage location comprises a plurality of pockets included in a kit for assembling the apparatus.

9. The apparatus of claim 1, further comprising a electronic apparatus coupled to the storage location, the electronic apparatus having sounds programmed therein that facilitate a disciplinary process.

SUBSTITUTE SPECIFICATION

Atty. Dkt. No.: 999450-0379

10. The apparatus of claim 1, wherein the storage location comprises a plurality of pockets located on a chair cover.

11. A system for facilitating child discipline using positive communication with a child, the system comprising:

a plurality of flags representing discipline state conditions, the plurality of flags including a red flag, a yellow flag, and a green flag;

a plurality of pockets corresponding to the plurality of flags, the plurality of pockets providing storage locations for the plurality of flags; and

a means for securing the plurality of pockets to a seating apparatus.

12. The system of claim 11, wherein the means for securing the plurality of pockets to a seating apparatus comprises ties connected to a seating apparatus cover that secures the seating apparatus cover having the plurality of pockets to the seating apparatus.

13. The system of claim 11, wherein the seating apparatus is a chair.

14. The system of claim 11, further comprising a pocket providing a storage location for help cards having discipline suggestions.

15. The system of claim 11, further comprising a pocket providing a storage location for a music compact disc having music that facilitates disciplinary activity.

16. The system of claim 11, wherein the means for securing the plurality of pockets to a seating apparatus comprises an adhesive securing the plurality of pockets to an inflatable chair.

17. A chair cover for use in a disciplinary session, the chair cover comprising:
a plurality of pockets; and
a plurality of flags that are placed in the plurality of pockets, the plurality of flags being removed one at a time during the disciplinary session.

SUBSTITUTE SPECIFICATION

Atty. Dkt. No.: 999450-0379

18. The chair cover of claim 17, wherein plurality of flags comprise a red flag, yellow flag, and green flag.

19. The chair cover of claim 17, further comprising ties that secure the chair cover to a seating apparatus.

20. The chair cover of claim 17, further comprising an electronic apparatus containing sounds that can be used in the disciplinary session.
